Peter reveal principles for living triumphantly when life tries to get us down through a health issue, a financial crisis, a relationship problem, or fear of the future. That's why these epistles are so relevant for us today.

CAMBODIA HERE WE COME!: We left our home in Phnom Penh at the end of June. Since then, we've celebrated 4 years of marriage, became parents, and spent several precious months with our family and sweet baby boy.

Now this week we are ready to head back. We are refreshed and renewed, ready for the new chapter the Lord is writing for us. We are thankful for a God who is with us and makes His Presence known. . .He is faithful and even though we face difficult moments, we are excited to return to our home and life in Cambodia. We've been counting down the months, weeks, and now days and we can't believe it's actually time to go! We've loved seeing our partners and supporting churches! And we just want to say again that we appreciate you so much. We feel your prayers and depend on them. Thanks for faithfully supporting us. Each of you are so special to us. Until next time! Andrew, Lexi, & Noah Collins (Global Partners to Cambodia)
