RESUMPTION OF SUNDAY SCHEDULE:

Unless there is a dramatic spike in Positive Covid-19 cases, or new restrictions ordered by the State of N.C., our hope is to

resume in-person Sunday School and Morning Services next **Sunday, January 10**. Please remember that we are continuing to observe all safety guidelines for public gatherings.

If continuation of online-only services is necessary, we will communicate the information to you as soon as possible. Thank you!

As the case count for Covid-19 remains high, we want to remind you of the safety measures we have in place.

GUIDELINES FOR SAFE OPENING: The health and safety of our people is the highest priority for us in reopening the church. Here are some of the safety measures we are taking to ensure compliance with all government recommendations:

1. If you are displaying any symptoms of illness – **STAY HOME!**
2. If you have visited or had family gatherings in hotspot areas – please join us for our Facebook Live/YouTube broadcast at **10:00 a.m.** Sundays for the following week.
3. In observance of current state-wide regulations, you are requested to wear a mask when entering and exiting the building (*masks can be removed while seated if safe distancing is practiced*).
4. If you are in a high-risk category due to age or pre-existing health conditions, please exercise good judgment in deciding when it is safe for you to come back to church.
5. Additional hand sanitizer stations and disinfectant wipes have been placed throughout the church. Please use them!
6. In order to create safe-spacing between people, every-other-pew will be left open in the sanctuary. Overflow seating is available in the FLC with video feed of the service.
7. If you need a mask, they are available at the doors.
8. As many frequently-touched surfaces as possible have been removed or marked "Not in Service."
9. Shaking hands and hugging should be restricted.
10. Access to downstairs rooms has been closed.

11. Please remember to keep the doorways at the front and back of the church and sanctuary open and unblocked so others may freely come and go. We would prefer, if possible, to have all socialization outside the building. Thank you for your continued understanding and support.
